What is Safe Assign?

What is being taught?

Learn how easy it is to incorporate SafeAssign into your Blackboard Assignments. This service helps faculty and students prevent plagiarism and aids in student understanding of plagiarism and the importance of proper citation.

Workshop Objectives:

- How to add SafeAssign when creating an assignment
- Where to go and view SafeAssign’s Originality Report
- What does the Originality Report show
- How to grade and/or make comments to the assignment
- How to submit a student’s paper
